510 Montague St.
Sept. 26, 1942
Raleigh, N.C.

Dear Mrs. Manley:

I am writting you concerning the jobs we were suppose to get after the season close, I would like to know are they still available? If so will you please let me know at once.

I arrived home safely, hoping you all are fine.

I shall look for an answer soon.

P.S. I would like to know at once so I will know what to plan for the winter.

Respectifully Yours,

Lenial Hooker
